I understand the Internet can provide students with valuable learning experiences.

I also understand it gives access to information on computers around the world; the school cannot control what is on computers; and a very small part of information can be illegal, dangerous or offensive.

I accept, while teachers will always exercise their duty of care, protections against exposure to harmful information should depend finally upon responsible use by students.

I believe _____ (*Student Name*) understands this responsibility, and I hereby give my permission for him/her to access the Internet under the school rules. I understand students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.
